

HAMMOND COFFEE - The Republican Campaign for Good Government candidates Ron W. Bertram, Supervisor, Douglas E. Delosh and Dr. James R. Tague, Town Council, and Rose Whittier-Brown, Town Clerk, held their second and third neighborhood coffees this week, attended by over fifty Hammond town residents. Mr. Bertram spoke first, citing the lack of open and responsive communication with the citizens of Hammond by the existing board. Mr. Delosh spoke next and commented on the demise of the Hammond economy and the lack of any effort by the existing board to bring new small business to town. Mr. Tague, DDS, spoke about the unfortunate divide that has grown in Hammond under this adminis-

tration and how his experience with the school board and his church has taught him the importance of reaching out to all members of the community to solve problems. Ms. Whittier-Brown, candidate for Town Clerk, committed on the need for the clerk to be available to the public, especially at tax time and that she was committed. Erica Demick, Republican chairperson, concluded by thanking everyone for attending; reminding them to vote on Nov. 3 and asking for their support to bring change and good government to Hammond.
